Lucas Guariglia (+18478280944)

Can you please help with looking at whatever monthly charges we have for automation or systems that can potentially be put on hold? If we cannot work together on the credit card situation I have no idea what we are supposed to do because it effects us both hugely

6/27/23 11:31:06 AM CDT

Lucas Guariglia (+18478280944)

We have tons routing to that card and it is impossible to keep it from maxing out. I am asking for your help

6/27/23 11:31:28 AM CDT

Lucas do your job

6/27/23 11:31:37 AM CDT

Cutting cost is not doing your job

6/27/23 11:31:42 AM CDT

It helps

6/27/23 11:31:52 AM CDT

But takes away from sales

6/27/23 11:32:04 AM CDT

You are in charge of sales

6/27/23 11:32:21 AM CDT

What is your plan to change the downward momentum

6/27/23 11:33:01 AM CDT

Lucas Guariglia (+18478280944)

We need sales support. I need help

6/27/23 11:34:06 AM CDT

Lucas Guariglia (+18478280944)

There is no other way to say it. I need help.

6/27/23 11:38:20 AM CDT

Lucas Guariglia (+18478280944)

There is just no way we can operate right now through this without working together so I am asking for your help.

6/27/23 11:44:36 AM CDT

I can only truly help if I have a true sense of what our situation is. I suggest you hire someone to take our numbers all prospective orders, all charges coming and submit that to me as well as an accounting of what you diverted to allworld. I will then have a better idea of how to tackle. The trouble is after all your lying and stealing I don't trust a word out of your mouth

6/27/23 11:44:51 AM CDT

So you are on the hook and hold all the keys

6/27/23 11:44:59 AM CDT

Not sure what to tell u

6/27/23 11:45:14 AM CDT

I don't even have any requested financials

6/27/23 11:45:35 AM CDT

No one can make any decision being uninformed

6/27/23 11:45:44 AM CDT

Lucas Guariglia (+18478280944)

What are you even talking about with All World?

6/27/23 11:45:58 AM CDT

Lucas you sent me a contract

6/27/23 11:46:30 AM CDT

So again I can't help because I've been kept in the dark

6/27/23 11:46:53 AM CDT

Lucas Guariglia (+18478280944)

What does that have to do with diverting funds? Absolutely nothing

6/27/23 11:46:58 AM CDT

Maybe you should t have stolen so much

6/27/23 11:47:03 AM CDT

Lol

6/27/23 11:47:04 AM CDT

Ok

That is everything from QBO you have access to which we have both always questioned if they were right

6/27/23 11:50:14 AM CDT

Lucas Guariglia (+18478280944)

So not only do you have all the same financial data that I do, You have access to all the same vendor portals which is where I see any of the financial info for debt. I dont know what more to give you.

6/27/23 11:52:03 AM CDT (Edited 6/27/23 11:52:17 AM CDT)

I'd also research "reasonable access"

Edited

6/27/23 11:52:20 AM CDT

Lucas Guariglia (+18478280944)

We 100% need a financial person because that is not what you or I do. I am and have been doing my absolute best but all I can do is juggle. If you want more input in it then that is 200% fine, I just need help. You see how many emails I am dealing with, you see me trying to collect from people, keep them paying upfront, not wanting to give NET terms to help but dude there is not much more I can do as a single person

6/27/23 11:53:44 AM CDT

Lucas Guariglia (+18478280944)

You can hate me all you want but there is no way I know you can sit there and think that the work load on me is ok. I know you see it. I am not asking for thanks I am just saying anyone would need support so what do you want me to do?

6/27/23 11:55:30 AM CDT

You mean after you drove the sales people away? What should we do?

6/27/23 11:55:49 AM CDT

A lot has to do with setting it up so you don't selfishly destroy it again

6/27/23 11:55:57 AM CDT

So it has to be clever

6/27/23 11:56:20 AM CDT

We have to make it Lucas Proof

6/27/23 11:56:39 AM CDT

So I'm not giving you any heads up to continue your path of destruction

6/27/23 11:57:02 AM CDT

Figure it out

6/27/23 11:57:16 AM CDT

I'd say get some contract jobs

6/27/23 11:57:22 AM CDT

It's just free profit

6/27/23 11:57:26 AM CDT

I'd start there

6/27/23 11:57:44 AM CDT

Remember we have a manufacturing facility that you are neglecting

6/27/23 11:57:57 AM CDT

And stop taking constellation orders

6/27/23 11:58:02 AM CDT

You can't be trusted

6/27/23 11:58:39 AM CDT

If you did your job you can have this figured out asap

6/27/23 11:58:58 AM CDT

Lucas Guariglia (+18478280944)

Joe "figure it out" is not a helpful answer. I cannot make calls to hire people without being on the same page or having a communal plan

6/27/23 11:59:31 AM CDT

Lucas Guariglia (+18478280944)

Ok then I am bad at my job? I dont know what you want me to say. I am bad at my job, a bad person, and need help. So if you cant help I am at a loss

6/27/23 11:59:31 AM CDT

I'm sorry I can't be more of an assistance to the theif who brought us here

6/27/23 11:59:45 AM CDT

So I'm doing my part

6/27/23 11:59:52 AM CDT

And then some

6/27/23 11:59:56 AM CDT

For free

6/27/23 12:00:01 PM CDT

While being held hostage

6/27/23 12:00:27 PM CDT

The train is rolling i can't stop it and I don't have the answers to fixing what you broke

6/27/23 12:00:29 PM CDT

Lucas Guariglia (+18478280944)

How are you being held hostage?

6/27/23 12:00:36 PM CDT

Ok

6/27/23 12:00:50 PM CDT

I have to run this instead of going out and earning money

6/27/23 12:01:03 PM CDT

But that is not the case for you

6/27/23 12:01:06 PM CDT

I got an idea

6/27/23 12:01:22 PM CDT

Lucas Guariglia (+18478280944)

You want me to buy you out? I just dont get it. I think you dont know what you want.

6/27/23 12:01:28 PM CDT

Take all the investor money you got for spizzirri pizza and put it into rowboat

6/27/23 12:01:55 PM CDT

Lucas Guariglia (+18478280944)

Joe you have no idea what you are talking about

6/27/23 12:02:06 PM CDT

Don't worry about me I'd worry about yourself and the portion of rowboat you are bound to

6/27/23 12:02:14 PM CDT

Ok

6/27/23 12:02:26 PM CDT

I got an idea

6/27/23 12:02:32 PM CDT

Sell your house and car

6/27/23 12:02:37 PM CDT

And there you go

6/27/23 12:02:46 PM CDT

See solved

6/27/23 12:02:47 PM CDT

Lucas Guariglia (+18478280944)

Ok and then what?

6/27/23 12:02:55 PM CDT

You're welcome

6/27/23 12:03:13 PM CDT

Then you solved 1 problem

6/27/23 12:03:36 PM CDT

Dude this is your mess. I'm here working and keeping it running

6/27/23 12:04:20 PM CDT

No bullshit though margaurite is waiting to move in

6/27/23 12:05:38 PM CDT

Lucas Guariglia (+18478280944)

Would you prefer I am there more? Im sorry if that became a point of contention and I think it would certainly help the relationship

6/27/23 12:06:37 PM CDT

Yea that's what I want. My assailant closer

6/27/23 12:06:55 PM CDT

You are sorry now. Yea ok

6/27/23 12:07:13 PM CDT

Apologies don't pay my bills

6/27/23 12:07:34 PM CDT

And fake forced apologies are sad

6/27/23 12:08:10 PM CDT

Lucas Guariglia (+18478280944)

I think we just find a way to get you out so your bills can be paid. This is just isnt salvageable and if you feel I caused this mess then I will take it on myself I guess. I dont know what else to do

6/27/23 12:08:40 PM CDT

Yea let's do that, it's not like I was the owner of a thriving business for 16 years

6/27/23 12:08:42 PM CDT

Lol

6/27/23 12:09:16 PM CDT

Now I'm an idiot for playing this text game.

6/27/23 12:10:01 PM CDT

I say keep your eye on contract work. And tell Suzanne we can't fund Constellation anymore

6/27/23 12:10:14 PM CDT

Then slowly build yourself a team

6/27/23 12:11:28 PM CDT

Only reason you are talking to me now is because the walls are closing in

6/27/23 12:11:35 PM CDT

Too little too late

6/27/23 12:12:03 PM CDT

The money isn't supposed to even be in 53

6/27/23 12:12:14 PM CDT

So you are in violation in every direction

6/27/23 12:13:24 PM CDT

Lucas Guariglia (+18478280944)

The walls will close in on both of us is what you are not seeing. Your plan is to sue me, send me to jail, which would dissolve the business as it stands, and then you would continue on, all while fighting in court for months which takes time away from the business. So ok.

6/27/23 12:13:44 PM CDT

Ok

6/27/23 12:14:19 PM CDT

Lucas Guariglia (+18478280944)

I could care less where the money is Joe. You were always aware and assisting in the account opening, as well as thanking me for doing it. Its a completely irrelevant part of the whole argument.

6/27/23 12:15:35 PM CDT

Lucas Guariglia (+18478280944)

Figure out what you want. I have nothing more to go on. You wont help me which you are also required to do as you have said, you wont buy me out, you wont agree to try and sell the company, and you wont agree to dissolve things as they stand

6/27/23 12:54:04 PM CDT

Lucas Guariglia (+18478280944)

How do you want to talk about Marguerite? We need to put our heads together on what is happening in 23B. I have some ideas and Luke said he spoke with you about their plan so how do you want to figure it out together?

6/27/23 12:55:20 PM CDT

First I have to be equal

6/27/23 12:55:29 PM CDT

You don't get me when u need me

6/27/23 12:55:47 PM CDT

I have it set up

6/27/23 12:55:59 PM CDT

Margaurite

6/27/23 12:56:18 PM CDT

But I don't want to sign a tenant before I know what's going on financially

6/27/23 12:56:47 PM CDT

And you had the meeting with Luke without me

6/27/23 12:57:51 PM CDT

Lucas Guariglia (+18478280944)

Interesting sounds like you did the same without me.

6/27/23 12:57:52 PM CDT

So yes you continue to be in violation

6/27/23 12:58:10 PM CDT

No I was there and they came and asked me a question

6/27/23 12:58:24 PM CDT

And told me about how you wouldn't answer them

6/27/23 12:58:42 PM CDT

Lucas Guariglia (+18478280944)

Sounds good. Wish that were the case detective

6/27/23 12:58:42 PM CDT

Just like margaurite told me

6/27/23 12:58:56 PM CDT

Lucas Guariglia (+18478280944)

I am not a landlord.

6/27/23 12:59:01 PM CDT

Lol

6/27/23 12:59:56 PM CDT

brilliant you just shirk off you job as you are asking me to dig the hole deeper with you

6/27/23 1:00:03 PM CDT

I am not a land lord

6/27/23 1:00:15 PM CDT

What are you exactly? You only serve yourself

6/27/23 1:00:24 PM CDT

So yes I know this is another trap

6/27/23 1:01:06 PM CDT

Now I suggest you stop whining and go get some contract jobs. You've had years

6/27/23 1:01:20 PM CDT

Lucas Guariglia (+18478280944)

What I am is in a miserable partnership that cannot end in some way soon enough. While that is who knows when I am asking you

6/27/23 1:01:50 PM CDT

Lucas Guariglia (+18478280944)

So I just attempted to help with what you asked and there's no resolution because you are difficult so you can share that with Tom.

6/27/23 1:01:52 PM CDT

It's almost like if you stopped doing all the illegal shit the partnership would be fine

6/27/23 1:01:54 PM CDT

Lucas Guariglia (+18478280944)

Ill go back to my other work now

6/27/23 1:01:57 PM CDT

Yea ok

6/27/23 1:02:05 PM CDT

Pizza?

6/27/23 1:02:19 PM CDT

City of Charlotte transportation?

6/27/23 1:02:26 PM CDT

Lucas Guariglia (+18478280944)

No, you would still be Joe.

6/27/23 1:02:34 PM CDT (Edited 6/27/23 1:02:58 PM CDT)

Sweet Lews?

Edited

6/27/23 1:02:47 PM CDT

Well I guess those are all rowboat anyways

6/27/23 1:03:18 PM CDT

Lucas Guariglia (+18478280944)

Hahahah sure. If you only knew what you were talking about but go ahead

6/27/23 1:03:26 PM CDT

Ok

6/27/23 1:04:11 PM CDT

Lucas Guariglia (+18478280944)

So good talk when you come back to me and say I did nothing about 23B we can revisit.

6/27/23 1:04:40 PM CDT

Lucas Guariglia (+18478280944)

Or we can just turn it over to Baum which I have always said was a viable option as the business heads towards closing down

6/27/23 1:09:08 PM CDT

My answer was new bank account with me as a signer, bring me upto speed in a legal way, and I'll consult and come up with a plan.

6/27/23 1:09:32 PM CDT

We are not negotiating anything right now I hope you know that

6/27/23 1:10:21 PM CDT

Just write down your list of outrageous requests and I'd suggest you have a lawyer look at it

6/27/23 1:10:26 PM CDT

Not Tom Chandler

6/27/23 1:10:53 PM CDT

Lucas Guariglia (+18478280944)

HAhaha also now I see what you referring to with Sweet Lews. Had to search lol. He is a good dude. Was trying to get us to do merch for his BBQ fest Two Lane was a sponsor of. Put him on your deposition list. He'd love a chance to get to Chicago.

6/27/23 1:11:10 PM CDT

Lol

6/27/23 1:11:17 PM CDT

Laugh it up

6/27/23 1:11:35 PM CDT

I'm here laughing too

6/27/23 1:12:51 PM CDT

Lucas Guariglia (+18478280944)

Its just sad. Its all going to just come to an end regardless so if you feel like the king of castle then good for you.

6/27/23 1:13:46 PM CDT

Lucas Guariglia (+18478280944)

No we arent negotiating anything, that will now be the attorneys wasting your money as well. Seth, Rich, and their team will just continue on with Tom.

6/27/23 1:16:11 PM CDT

Lucas Guariglia (+18478280944)

But this is another example of you being impossible to work with even in light of everything. Again, since you do not know what you want I again ask for a way to go our separate ways.

6/27/23 1:37:58 PM CDT

Yea. I uncover your stealing and price fixing, you are illegally holding the account, and I am not helping you. Lol

6/27/23 1:38:17 PM CDT

I told you I wanted what I had.

6/27/23 1:38:27 PM CDT

You destroyed that on purpose

6/27/23 1:38:45 PM CDT

Lucas Guariglia (+18478280944)

Yes "on purpose"

6/27/23 1:39:11 PM CDT

All of this so you don't have to give me the login lol

6/27/23 1:40:07 PM CDT

Lucas Guariglia (+18478280944)

Actually no. I don't care about the login at all. You are not legally supposed to have it from your own situation you caused yourself.

6/27/23 1:41:17 PM CDT

Lucas Guariglia (+18478280944)

And you can have what you had, especially exactly how you want it without me involved. We just need to figure that out as an option which I continue to say

6/27/23 2:08:41 PM CDT

You don't walk into the new pizza world

6/27/23 2:08:54 PM CDT

Or artist management

6/27/23 2:09:02 PM CDT

That's rowboat

6/27/23 2:09:05 PM CDT

And competing

6/27/23 2:09:27 PM CDT

U destroyed my world

6/27/23 2:09:35 PM CDT

A few texts don't clear up anything

6/27/23 2:10:01 PM CDT

So save your typing for getting a sales plan together

6/27/23 2:10:12 PM CDT

You are still bound to rowboat

6/27/23 2:10:29 PM CDT

And yes you are illegally holding rowboats money in 53

6/27/23 2:10:36 PM CDT

Anything else?

6/27/23 2:10:52 PM CDT

Lucas Guariglia (+18478280944)

Got it, Joes plan slavery

6/27/23 2:11:50 PM CDT

Lucas Guariglia (+18478280944)

I am bound to it until it is dissolved. So here we go again with the circular legal rhetoric which doesn't matter

6/27/23 2:13:17 PM CDT

Lucas Guariglia (+18478280944)

I dont get why you wouldnt want to move on regardless. It makes no sense. There is no way you are happy in this let alone will ever be

6/27/23 2:15:39 PM CDT

Lucas Guariglia (+18478280944)

And lastly I would LOVE to see your support that Rowboat operates as a pizza restaurant as well as artist business management. You are just possessive and dont like the idea that I am ready to move on with my life. Im sorry for that.

6/27/23 2:47:25 PM CDT

Lol

6/27/23 2:47:28 PM CDT

Cute

6/28/23 9:21:26 AM CDT

Lucas Guariglia (+18478280944)

6/28/23 9:40:58 AM CDT

Yes

Lucas Guariglia (+18478280944)

Hey man. Do you want to take a look at 701417 when you have a chance? This is for an activation. Super straight forward. We can either print the transfers internally or have Howard do

6/29/23 12:55:05 PM CDT

We can do

6/29/23 12:55:08 PM CDT

Looks good

6/29/23 12:55:14 PM CDT

We only have one hat press

6/29/23 12:55:39 PM CDT

Lucas Guariglia (+18478280944)

Ok thanks. I'll get details confirmed once they approve

6/29/23 12:56:03 PM CDT
